

Available Combination of Subjects

Pupils must choose six subjects to match the IB requirements. Below is the list of subjects available at Malvern. In order to work out your individual menu, **choose one subject only from any given column** e.g. in column 3, you may not choose both Physics Higher Level and Geography Standard Level. (**Higher Level subjects are in UPPER CASE and Standard are in Lower Case**). The norm is to choose three Higher and three Standard levels but four Higher and two Standard are also possible.

It is recommended that you check with the Head of Sixth Form, Mr Martin Frayn, that your provisional choices meet the IBO requirements.

If your ideal combination of subjects is not possible according to the grid below, do contact the Head the Sixth Form for confirmation.

	1	2	3	4
Higher	CHEMISTRY FRENCH B FRENCH A2 HISTORY BIOLOGY THEATRE ARTS	GERMAN B SPANISH B LATIN ECONOMICS CHEMISTRY	ECONOMICS GEOGRAPHY HISTORY PHYSICS BIOLOGY	ENGLISH A1 •
Standard	French B Theatre Arts	Spanish B Spanish ab initio German B Latin		English

	5	6	7	8
Higher	MATHS •			GERMAN A2 GREEK ART MUSIC
